

Material Testing Equipment

Company Profile

Siam Intercorp (Thailand) Co.,Ltd.

Quality Product by Quality Service

General Information

Company Name : ***Siam Intercorp (Thailand) Co., Ltd.***

Address : 212/10 Moo 1, Nonthree Place, Nakorn In – Rama V Rd.,
Bangphai, Muangnonthaburi, Nonthaburi 11000 Thailand

Tel : +66-2886-7834 – 5

Fax : +66-2886-7836

Email : info@siamintercorp.co.th

Website : www.siamintercorp.co.th

Annual Sales & Service : 40 Million Baht (2018)

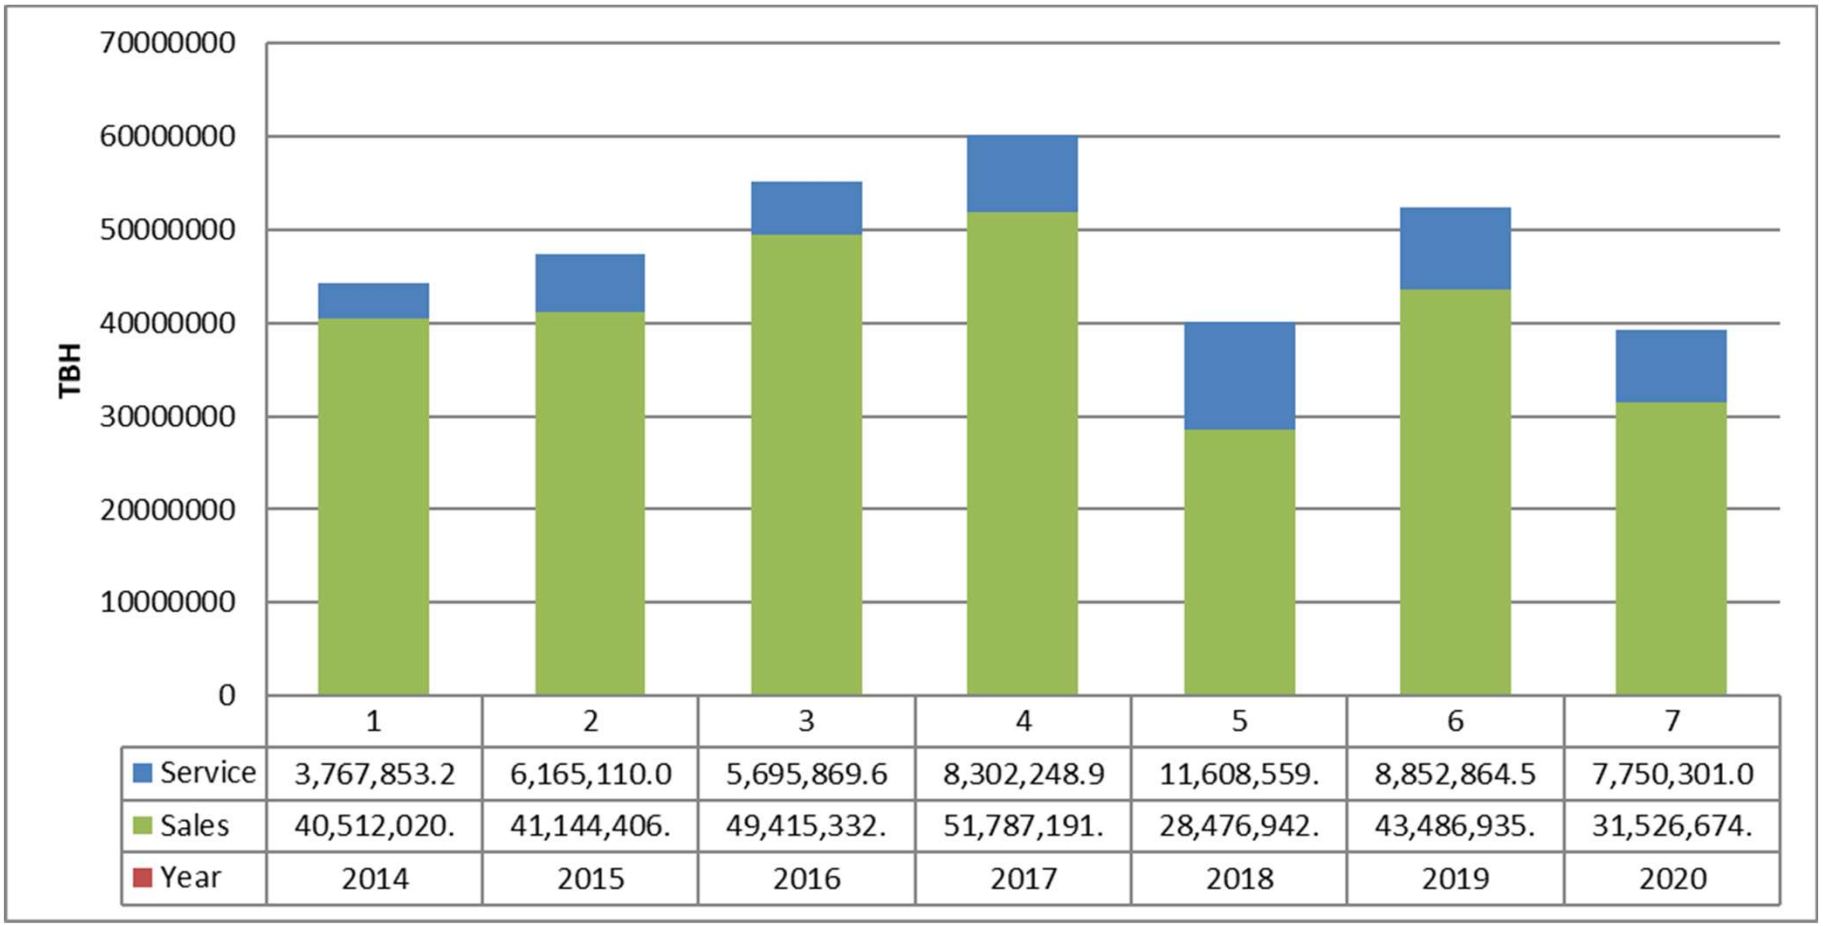

Total Employees : 13

Primary Line of Business : Material Testing Equipment, Plastic & Rubber Production Line, Scientific Equipment and Generator etc.

Siam Intercorp (Thailand) Co.,Ltd.

Quality Product by Quality Service

Rubber Testing Solutions

GERMANY

Rubber Testing Equipment

- Rubber Process Analyzer (RPA)
- Moving Die Rheometer (MDR)
- Mooney Viscometer
- Hardness & Density
- Fatigue / De-Mattia
- Dispersion
- Plasticity
- Rebound Resilience
- Aging & Compression
- Abrasion
- Cut & Chip
- Online Testing Cell

Siam Intercorp (Thailand) Co.,Ltd.

SCITEQ

Plastic Pipe Testing System

- Pipe Pressure Tester
- Dynamic Pressure Tester
- Thermo & Zero Degree Tank
- Pipe Impact Tester
- Rapid Crack Propagation Tester
- Conditioning Chamber
- Methylene Chloride Tester
- Glycerine Tester

Siam Intercorp (Thailand) Co.,Ltd.

Quality Product by Quality Service

Companies Represented

SCITEQ

Plastic Pipe Testing System

- Axial Notch Milling Machine
- Thermal Cycling System
- Pipe Wall Thickness Tester
- Bulk Density Apparatus
- Ring Stiffness Tester
- Leak Tightness Tester
- Valve Endurance Tester

Quality Product by Quality Service

Project Reference

- Supplied Polymer Testing Equipment to Polymer Laboratory Centre at PTT Global Chemical Public Co., Ltd. (PTTGC) for LDPE and LLDPE Plant. Total amount of this project is 17,102,783.70 THB (Approx. 480,000.00 USD) in year 2009.

- Supplied complete solution of the Online NMR Analyzer (Mageflow MagStation II) from PROGRESSION/USA for both of PP and HDPE Plant at IRPC Public Co., Ltd. Total amount for both projects is 36,512,437.16 THB (Approx. 1,070,000.00 USD) in year 2012.

- Supplied Plastic Pipe Testing Equipment from SCITEQ/Denmark to Innovation & Technology Department at PTT Global Chemical Public Co., Ltd. (PTTGC). Total amount of this project is 485,585.49 EUR in year 2012.

- Supplied complete system of the Instrumented Falling Weight Impact Tester model CEAST 9350 from INSTRON/Italy to Grand Siam Composites Co., Ltd. (SCG Chem). Total amount of this project is 6,175,457.92 THB (Approx. 174,000.00 USD) in year 2013.

Project Reference

- Supplied complete system of the Instrumented Falling Weight Impact Tester model CEAST 9350 from INSTRON/Italy to Nissan Motor Asia Pacific Co., Ltd. Total amount of this project is 5,564,000.00 THB (Approx. 157,000.00 USD) in year 2016.

- Supplied Polymer Testing Equipment to IRPC Public Co., Ltd. (PTTGC) for CPP Project. Total amount of this project is 11,538,880.00 THB (Approx. 325,600.00 USD) in year 2016.

- Supplied CNC Milling Machine to IRPC Public Co., Ltd. (PTTGC) for CPP Project. Total amount of this project is 3,180,000.00 THB in year 2017.

- Supplied Diesel Generator 550 kVA to Asiatic Agro Industry Co., Ltd. Total amount of this project is 2,350,000.00 THB in year 2017.

- Supplied Diesel Generator 550 kVA with ATS to Ampawa Coconut Products Co., Ltd. Total amount of this project is 2,650,000.00 THB in year 2017.

Project Reference

- Supplied the Ozone Aging Tester from Yasuda/Japan to TISTR, Total amount of this project is 3,551,000.00 THB in year 2017.
- Supplied the High Temperature Furnace from Nabertherm/Germany to RMUTL, Total amount of this project is 3,000,000.00 THB in year 2018.
- Supplied the Geer Type Aging Tester from Yasuda/Japan and Vertical Rubber Injection Machine from Matsuda/Japan to TISTR. Total amount of this project is 4,631,000.00 THB in year 2018.
- Supplied the Ozone Aging Tester from Yasuda/Japan to Rubber Authority of Thailand. Total amount of this project is 3,345,000.00 THB in year 2019.
- Supplied the Dynamic Fatigue Tester from Montech/Germany to Rubber Authority of Thailand. Total amount of this project is 6,168,000.00 THB in year 2019.

Project Reference

- Supplied 5 sets of the Melt Flow Tester from Instron/Italy to Thai Polyethylene Co., Ltd., Total amount of this project is 3,850,000.00 THB in year 2019.

- Supplied the Ozone Aging Tester from Yasuda/Japan to Prince of Songkla University Suratthani Campus. Total amount of this project is 2,361,000.00 THB in year 2020.

- Supplied complete system of the Instrumented Falling Weight Impact Tester model CEAST 9450 from INSTRON/Italy to Kasetsart University. Total amount of this project is 4,128,292.00 THB in year 2020.

- Supplied complete system of the Non-instrumented Falling Weight Impact Tester model CEAST 9440 from INSTRON/Italy to TISI. Total amount of this project is 2,309,850.00 THB in year 2020.

- Supplied the Capillary Rheometer from INSTRON/Italy to Kasetsart University. Total amount of this project is 2,420,000.00 THB in year 2020.
